

## EH319USTi

1080p Ultra Short Throw Interactive Projector

- TouchBeam finger touch interactive
- Bright Full HD 1080p projector 3500 ANSI lumens
- Ultra short throw lens 100" image from less than half a metre away
- Ultimate Control Crestron, Extron, AMX, PJ-Link and Telnet LAN commands

Optoma's 1080p ultra short throw interactive projector, the EH319USTi, is perfect for businesses, schools and colleges. It is bright (3500 lumens) and uses a new generation of TouchBeam finger-touch interactive technology, enabling several people to work simultaneously on the screen without using a pen. The throw ratio of 0.25:1 means that it can project a 100" image from just 55cm away. And having the projector installed so close to the screen avoids any shadows being cast across the screen from the presenter(s).
