

ZU660e

Spectacular image quality, low maintenance and ultimate reliability

- 30,000 hours maintenance-free laser light source at full brightness
- Dust resistant Independently tested, IP5X certified for total reliability
- 6,500 lumens laser WUXGA DLP projector
- Installation flexibility 7x lens options including ultra short throw and dome lens

The ZU660e builds on the success of the DuraCore professional installation projector range. With enhanced features such as 4-corner correction and higher brightness it joins the DuraCore laser line up which combines industry-leading lifetime of the light source with an independent dust resistant certification for ultimate peace of mind.
